Correspondence ending with the report dated 27-10-1949 from the Director of Anti-corruption and Efficiency Audit on allegations of corruption against Sri. B. Srinivasa Sastry, District Educational Officer.

Order No.E. 10778-9/Edu 17-49-27
Bangalore, dated 28/3/50

In June 1949 the Director of Anti-corruption and Efficiency Audit brought to the notice of Government that there were certain allegations of corruption against Sri. B. Srinivasa Sastry the then District Educational Officer, Kolar and suggested that the officer may be transferred from the District to enable the preliminary enquiry to be taken up. Accordingly the Director of Public Instruction was requested in August 1949 to transfer the District Educational officer, from Kolar District.

2. After the detailed enquiry, the Director of Anti-corruption reports, among others, that the District Educational Officer has deliberately ignored the orders of the Director of Public Instruction, that seven pension cases involving inordinate delay in submitting papers to the Comptroller have been pointed out in the Audit Report and that a case of Compassionate gratuity pertaining to the Middle School, Kolar is pending since 1947 without any concrete action. He states that there is utter slackness in the discharge of the administrative duties by the officer and opines that as the officer has practically no initiative and driving force, there is no use of continuing him in Service.

3. In June 1949, the Comptroller has also reported to Government that Sri.K. Ramaiya, Head Master, Devarayasamudram retired on 1-7-1948 and although nearly a year had elapsed, the concerned District Educational Officer (Kolar) had not cared to send up pension papers even though reminded several times both by his office as well as by the Director of Public Instruction and consequently was not able to sanction even Anticipatory Pension to the pensioner who was evidently in great distress due to the inordinate delay caused in the payment of his pension. He Opines that in this case atleast drastic disciplinary action should be meted out to the District Educational Officer for his neglect of duty as well as callous disregard of ordinary humanitarian considerations.

4. Sri. B. Srinivasa Sastry is due to retire with effect from 29-5-1950

from 29-5-1950, the date of his superannuation. Government consider that in the interest of efficiency the officer should be retired from service and accordingly direct that he be retired with immediate effect. He will be given the full pension admissible under the rules.
